

Explore Real Change

Ministry is no longer a solo act

It's time to connect, innovate,
and thrive together.

Connect with the Humility Network

A transformative journey for pastors navigating today's post-modern culture.

What is the Humility Network?

A supportive network of cohorts designed to connect up to 8 pastors over the course of a year. Together, we work toward deeper ministry effectiveness and personal growth.

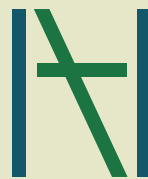

Imagine the Transformation...

- ✦ Find your community:
Supportive and encouraging peers.
- ✦ Discover solutions:
Apply strategies that work for real ministry needs.
- ✦ Stay accountable:
Engage in mutual accountability for personal & church growth.

How it Works:

- ✦ *Twice-monthly Zoom Meetings*
2-hour collaborative sessions
- ✦ *Bi-annual, In-person Retreats*
to recharge and refocus
- ✦ *Monthly Individual Coaching* (Optional)
tailored to your needs

All focused on making new and deeper disciples of Jesus Christ.

**HUMILITY
NETWORK**

*All of you, clothe yourselves with humility
toward one another.
1 Peter 5:5 (NIV)*
